June 2022

Dear Redwood Area Library Supporter:

The Redwood Area Library Foundation was formed to enhance the Redwood Falls Public Library and to financially assist them outside of the City provided funding. We are excited to share with you an opportunity to support our Library through the Redwood Area Library Foundation.

The focus of the 2021 fund drive was the continuation of improvements to the Library. Due to continued Covid restrictions until late March, there was a delay in the completion of some of the projects planned for RALF to support. iPads were purchased, the mural has been covered and replacement plans continue, as well as plans for adding a display space for the hand-carved canoe. The budget portion of funding for the bathrooms is delayed until 2023.

The 2022 Fund drive discussions include continued planning for future growth and success of the Library. One area of focus will be the children's space. It is planned to add makerspaces, children's sized tables and chairs, and more comfortable seating. We are in preliminary discussions about expansion of our current space.

Gifts to the Foundation are acknowledged quarterly. Each donation totaling \$500 (either a one-time donation or accumulated donations over time) is recognized with a plaque on the lobby wall at the Library.

Thank you for your continued support.

Sincerely,

Pamela Prouty, President
